Identification Number: C00423202

Reference: Amended July Quarterly Report (4/1/07 - 6/30/07), received 10/14/07

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Your Amended July Quarterly Report, received 10/14/07, discloses a substantial increase in the amount of debts from those disclosed on your original report. Please amend your report to clarify why this additional activity was not provided with your original filing. (11 CFR § 104.3)
2. Schedule D-P of your report discloses outstanding debts owed to your committee. The purposes listed with these debts indicate that these debts are for "donations not received" from entities such as "Paypal." It is unclear whether these outstanding contributions are from individuals making payments through these entities, or whether the contributions are from the entities listed on Line 11. Please amend your report to clarify the nature of the debts owed to the committee. (11 CFR § 104.11(b))

When your committee receives payments for these debts, each payment must be disclosed on Schedule A-P. In addition, each individual contribution must be itemized as a memo entry when the individual's total contributions to your committee aggregate over \$200 per election cycle. (11 CFR § 104.3(a)(4)(i)) This itemization must include the contributor's full name, address, occupation, employer, and the date that the committee received the contribution. (11 CFR § 100.12) If none of the contributors

aggregates to over \$200 during the election cycle, you must indicate this on an amendment to your report.

Please amend your report to explain the nature of the debts owed to the committee listed on Schedule D-P and to disclose the original contributor information on Schedule A-P for these payments.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1169.

Sincerely,
